It's always a delight to us to see British babes making it big on the global porn scene. You'll find her revealing interview on page 28, and you'll also find the mag stuffed with amazing girls, reviews, two exclusive on-set reports and that's even before you've put that DVD in your slot. I don't know how we do it...

SMOO NEWS

FROM THE WEIRD WIDE WORLD...

GREAT BALL OF CHINA

An IT worker in China was caught red- (and sticky-) handed when the X-rated movie he was watching when he thought he'd finished work was unwittingly beamed to a giant outdoor monitor. The technician had linked his laptop to an animated advertising hoarding to fix it but forgot to disconnect and, unaware, beamed out ten minutes of shagfest *The Legend of Sex and Chopsticks* to hundreds of shocked passers-by. They were actually lucky – if he hadn't realized his error for another three hours they would have been treated to the technician tweeting pictures of his dinner, "Not Now"-ing several Facebook friend requests from old school-friends and watching a cat play the piano thirty times in a row.

DILDO DRIVEBY

There was a case of driving a certain miss crazy in Sandy, Oregon, where Chelsey Coutts had 500 dollars worth of sex toys stolen from her car boot. The horny hoard of blow-up dolls and dildos was being assembled for a bachelorette party Ms Coutts was organizing. "It was horrible. The officer kind of started laughing when he asked me to describe everything in detail." It's the latest in a spate of love toy larcenies. In 2011, a man in Ohio stole a truck and crashed it into an adult store to steal a sex toy worth 800 dollars. And last February in Michigan, thieves snatched a man's life-long 7,500 dollar African-American porn collection.

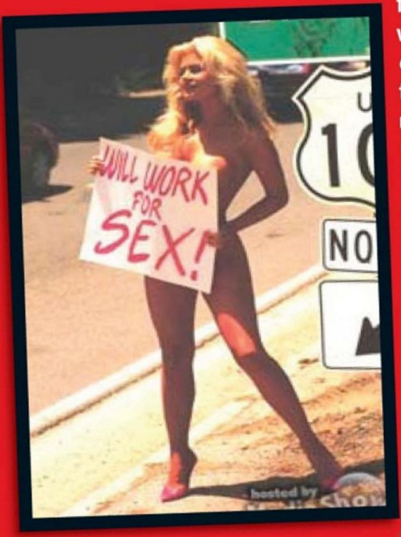
FUCK WORK!

According to US researchers at ScienceDirect, the key to a happy and productive life isn't doing a job you hate for eight hours, followed by weeping into your pillow, but having three times as much sex as work – every day. Sounds blindingly obvious, but the boffins have calculated an exact optimal ratio we should be aiming for: 36 minutes of work and 106 minutes of sex per day. Funny, that's every Friday for us, so we're well on the road to nirvana. The plan for the ideal day also includes meditating (73 minutes) and exercising (68 minutes). But they seemed to have missed off that all-important 480 minutes drinking.



GEEKS CORNER! WITH JOEL

This month Geeks Corner is extremely pleased to get our nerdy mitts on the DVD release of *The Look Of Love* from Studiocanal. Michael Winterbottom's genius casting of funnyman Steve Coogan in the film's leading role as our erstwhile chairman Paul Raymond, is played like an exploitative Alan Partridge. His rise from seedy showman to the heights of groundbreaking pornographer is wonderfully realised in this bittersweet biography. Featuring a cast that includes some of the bastions of British comedy including Chris Addison, David Walliams and Simon Bird all bringing top laughs - but the biggest guffaws come from the cameos of our very own *Club DVD*, *Escort* and *Mayfair* editors, so keep your eyes peeled! Also from Studiocanal is a fantastically horrific remake of the Sam Raimi classic *Evil Dead* – when five friends discover the Book of the dead in a deserted cabin they awaken an evil in the woods that soon has them possessed by far more than cabin fever! This admirable remake adds to both the chills and gore of the original and should not be overlooked as mere pastiche. For those of you whose bag is neither horror nor humour, check out the superb thriller *The Place Beyond The Pines* – when motorcycle daredevil Ryan Gosling goes on a crime spree to provide for his family he soon becomes the target of Bradley Cooper's ambitious detective, spanning a 15 year period this makes for an epic crime tale, amazing!

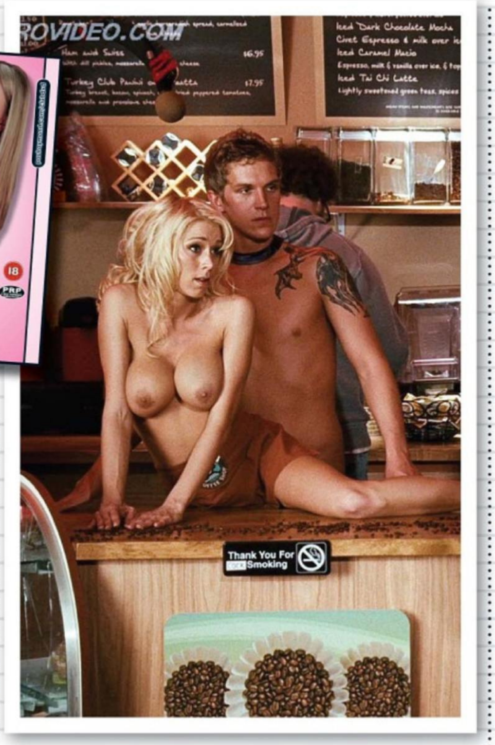
LETTERS

Dear Club DVD,
You temporarily spoiled my day when I read in the last issue that Suzie Carina was retiring! But then I read on and found out that she's only retiring from porn and will still get her kit off for your magazine. Phew! I hope that girl never retires completely. I love her!
Suzie Worshipper, Teddington

Ah, apologies for giving you a shock, but didn't it feel good when you realised our Suze isn't giving up completely? We, too, are huge fans of the Czech cutie, and have been since she started out, way back in 2002. We're sure you'd agree that she's like a fine wine; she just gets better with age.

Dear Club DVD,
Where has Ask Auntie Em gone? I really liked it when she was all harsh and took the piss out of people. Don't get it twisted, I do like the 6 of the Breast – it reminded me that I've gotta go back and watch some of those movies – but I'm gonna miss Em. Say bye from me, OK? Cheers.
Barry, Folkestone



ROVIDEO.COM
Thank You For Not Smoking

We will, Barry, we will. Auntie Em and her ferocious wit are already missed around the *Club DVD* offices – she's been with us from the very beginning, after all – however, all good things must come to an end, and she's gone on to pastures new. As a consolation, check out this issues' 6 Of The Breast, on page 82; it's all about porn stars' criminal records! Hope you enjoy!

Dear Club DVD,
I was surprised to read in Karina Currie's column that Angel Long has cystic fibrosis. You'd never know by the way she fucks in her films – she's really fuckin' hardcore! Just goes to show…
Dazza, via email

We agree, Daz, it does go to show that, a) you should never judge a book, etc, and b) that even if a person does have a disability – or disease, like Angel – it doesn't mean that they can't do everything just as well as everyone else, if not better. We always enjoy Karina's column but found the last one particularly interesting; disability in porn isn't something you tend to consider. Pete Andrew is a legend in our eyes, and we wish him all the best. Inspirational stuff.

Dear Club DVD,
WTF is it with all these porn parodies about Batman? I feel like I've seen fifty of the bastard things, and they still keep coming! I saw one a few years ago, with Syren Sexton in it and it were great. Why do people think they can do something better? In *Club DVD* 8.4, you went on location for the latest one – aren't you guys a little bored of them now? Please don't show any more Batman pornos. Spiderman, yes. The Hulk, yes. Batman, NO! Ta.
Simon, Taunton

Oh, come on, Simon! You sound like a girl! Don't you know that each one is different in its own way? The latest release that you mention is Vivid's latest blockbuster by award-winning director Axel Braun, and it's not Batman – it's *The Dark Knight XXX*! Which, as any porn geek will tell you, is completely different from Vivid's *Batman XXX*, starring sexy Ms. Sexton, which they released in 2010. But, yeah, okay, we do get your point!

Dear Club DVD,
I just had to write in and tell you all what a brilliant issue the last one was [*Club DVD* 8.4 – Ed]. Dani Maye on the cover was fucking gorgeous – I'd love to give her one. And that Eve Angel. And Teagan. Cor, what I'd do to that Teagan. And I bet she's a right goer, too.
Digit, cyberspace

Thanks for the compliment, Digit – we do try our very best! And we're very happy to help you get that off your chest…

The *Amazingly Educational* Club DVD Wordsearch

WIN A LOAD OF PORN*

TOSSARY

Belly Entrance – We did a poll with the men around the *Club DVD* office, and the general consensus is that if any of us had a cunt, we’d call it a belly entrance. It’s quite a sweet name really, don’t you think?

Gerontophilia – Gerontophilia is a paraphilia (a sexual fetish, to you) that consists of a younger person, of either sex, being sexually attracted to a much older person – very often elderly. Deriving from the Greek words for old man (geron) and love (phile), someone cleverly, along the line, put the two words together, and bam! You have a new term! Oh, and there’s actually a movie of the same name coming out later this year. *Harold and Maude*, anyone?

Crumpet Trumpet – A queef by any other name… is still a fanny fart. Or a crumpet trumpet. Need we say more?

Quim Bling – We quite like the occasional clit ring, here at *Club DVD*, and we’ll never turn away pierced labia, but then that’s because they are true quim bling, and more than a little fun to suck on and pull during a shag. However, that doesn’t include sticking diamantes on the outside of your fucking clump, or ‘vajazzling’, as they insist on calling it.

Jugly – Like fugly, jugly maybe isn’t the most flattering compliment you can pay a chick, but then, they do say honesty is the best policy, don’t they? Referring to a minger with huge knockers, jugly is our new favourite word of the moment.

Musk Mask – Ah, the old musk mask! Brings back some memories! Every man, if he’s honest, at some time in his life, has pulled a pair of dirty knickers over his face and had a wank (AKA The musk mask), while breathing in the musky aroma… Ahem… Haven’t they?

Dacrylagnia – More commonly known as dacryphilia, dacrylagnia is the definition of getting a sexual kick from others sobbing, their distress, or their tears. More commonly associated with males than females, the owner of the tears is usually a loved one, although it can also refer to men who become aroused by reducing a woman to tears, by yelling, belittling, spanking or physical abuse. But there are always exceptions to every rule, and so there are dacrylagniacs who only get off on their own crying.

Golden Ticket – This golden ticket may not get you into Willy Wonka’s amazing chocolate factory, but it does give you permission to fuck your missus up the arse. Or rather she does, and you get to brag about it to your mates as your golden ticket.

Gut Stick – A particular favourite amongst the male staff here, the term ‘gut stick’ has been known to put off one or two prospective fucks, but it’s a bit better than kidney prodder, zab or carnal stump, isn’t it?

Zook – Nope, not a musical instrument from a faraway land, zook is actually a slang term for a hooker. It’s got a certain ring to it, don’t you think? “Yeah, I’m just off to shag a zook!” No? Just us then, as usual.

Catagelophilia – And here’s another one of those unusual sexual preferences that we know you love and have come to expect from the team here at Tossary! Catagelophilia describes a bloke or bird that gets off on having the piss taken out of them. Yup, whereas sexy lingerie or romance and flowers do it for some, humiliation and ridicule is the way into a catagelophiliac’s pants. Now, where did we leave that dog collar?

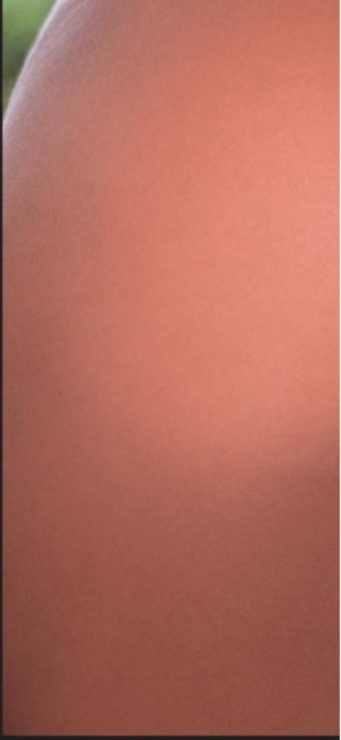
PEACHES



It's a welcome return to *Club DVD* for Peaches, who combines one of the hottest bodies in the business with a lovely smile and attitude. Oh, and did we mention she's as horny as hell?

"That's what I'm known for among my friends," she giggles. "I'm a little bit sex obsessed and always either thinking about sex, masturbating or getting the real thing. I'm never not horny!"

Nothing wrong with having a mind like a Welsh railway – one track and dirty...

My Roommate's a Lesbian 3

What goes on behind closed door has always remained an alluring thought for most individuals. Especially arousing is if the people living behind those doors are beautiful, sexually empowered, twenty-something females. Since nowadays, it is quite customary and generally considered a rite of passage for young females to experiment with their hot girlfriends, it's no surprise that most young women these days consider themselves bi-sexual. Whether their new lust for labia is a way to garner the attention from potential male suitors, or is their way of experimenting with their budding sexuality, we can all agree that watching lesbians lock loins is hot!

Agreeing wholeheartedly, director Mike Quasar has selected a band of eight magnificent carpet munchers for his latest all-girl-gash-fest in *My Roommate's a Lesbian 3*, a movie presented by Zero Tolerance. Chock full of industry darlings that consider lesbian love an art form, I watch as four frisky couples act on their carnal urges, delving out plenty of TLC, tits, lips and clit! With a ticket to ride, are you ready to enter their great divide? Just say the words. The movie opens with Sabrina Maree and Jana Jordan falling into each other's arms after a night of partying. With their emotions running high and the electricity of the evening still pulsing through their veins, the girls find connectivity and passion through each other's glossy lips. "Wish you didn't have a boyfriend," Jana flirts, flicking up the corner of Sabrina gray dress. "Had... a boyfriend," Sabrina smirks back, giving Jana the green light to get down.

At this point, Jana is on top of Sabrina, sampling her lips and pawing at her tits. As the action between the two heats up, their party dresses start flying off in all directions, scattering around the ground like colourful pieces of wrapping paper. Once the girls switch positions, Sabrina arranges Jana on her hands and knees, with her butt bobbing in the open

air. Raking her buxom bosom across the slender curve of Jana's butt, Sabrina causes Jana to coo like a songbird. "Do you want more?" Sabrina teases, allowing dribble from her lips to fall into Jana's butt crack. With a precious sigh that speaks volumes, Jana moans, "Yes."

With her hands pulling Jana's butt apart, Sabrina gives Jana a tongue bath, taking in long lashings of her pussy and her anus. Clawing her fingernails into the tan sofa, Jana begins rocking her hips backwards, to better connect with Sabrina's spirited tongue. "Right there," Jana continues to pout, eventually releasing a syrupy blast across Sabrina's lips that makes her look as though she's bitten into a ripened peach. In a sense, I guess she has!

"WITH HER PANTIES OFF, KATIE SPREADS HER LEGS AND COAXES ASH TO DINE AT THE 'Y'"

Following that steamy encounter, Katie Jordin can't hide the fact that she is hot for her new roommate, Ash Hollywood. Flirting with her on the sofa, Katie enquires about how Ash slept on her shabby bed by gushing, "I feel bad for having you sleep on that old mattress. Mine is much better."

With full knowledge that Katie is a sexy lesbian who has been lusting after her since she moved in, Ash takes a more dominant lead by saying, "Is that an open invitation?" Knowing that the jig is up and that Ash is game for gash, Katie finally musters up the courage to sew some seeds of love.

Going in for the kill, Ash pulls down Katie's orange tank top and begins strumming her tongue around Katie's perky nipples. Rising to the occasion, Katie begins unbuttoning her pink shorts, revealing hot pink panties, adorned with a big, wet bull's eye around the creamy crotch. Now, with her panties off, Katie spreads her legs and coaxes Ash to dine at the 'Y'. Munching away with loud slurps that make her lips look sticky, Ash devours her roommate, collecting her cookie crumbs on her tongue. "You taste so delicious," she compliments, adding in some fingers for good measure. With three fingers shoved in deep, Ash has Katie right where she wants her.

When it's time to switch places, Katie is quick to arrange her plaything on her hands and knees. With a curvy butt, centered with a tan butthole, and her smallish tits swaying, Ash is more than anxious to back her ass up onto Katie's waiting tongue. Doing double duty by diddling both her pussy and her anus, Katie is sure to please both of Ash's ends. "I'm going to love living here," Ash gleams, eventually releasing an orgasmic trickle that coats Katie's lips with warm beaver broth. It's scrumptious!

Next, Alyssa Branch gets a little too close for comfort when Aiden Ashley strolls into the bathroom and finds her using her toothbrush. Quickly squashing that bug by setting up some more solid boundaries between them, Aiden forgives her roommate and is ready to cool off in the bath. But, before she can get her dress off, Alyssa tries to beat her to the punch. "How about we take a bath together," Alyssa smirks, running her fingers around the lacy fabric of her pink bra and panty set. "Sex with roommates complicates things," Aiden charges back, although the appeal of Alyssa's blue eyes and bubble butt have Aiden all hot and bothered.

"It won't, I promise," Alyssa ensures, scooping Aiden up in her arms for a sultry kiss that has both lips smacking together. With plenty of tongue usage and enough chemistry to make the bath water boil, these two go at it like frisky alley cats sifting through garbage cans. Soon, their lip-locking session lands them across a white bed. "Ready to play?" Alyssa charms, eye fucking the hell out of her roomy.

Scaling atop Aiden's pale body like a skilled mountain climber, Alyssa plants her pussy smack dab on Aiden's blood red lips. Bucking her hips against Aiden's moistened pout, Alyssa swirls her crotch around Aiden's hot pink tongue. With loud gulps and with her fingers digging into Alyssa's rounded bottom, Aiden enjoys the vanilla juice that pours out of Alyssa's snatch like spilled milk.

Afterwards, Alyssa spreads Aiden's thin legs apart like a wishbone, consuming every nook and cranny

"AIDEN ENJOYS THE JUICE THAT POURS OUT OF ALYSSA'S SNATCH LIKE SPILLED MILK"

Are you sure that's where the snake bit me?

of Aiden's buttery muffin. Once she makes her roommate climax, the dynamic duo intertwines their legs together and vigorously rubs their clits to pop. It's a delicious sight to say the least!

The final lesbian liaison today leaves Brett Rossi feeling frustrated when Emily Addison, her smoking hot roommate, keeps giving her mixed signals. Once Brett is fed up and dismisses Emily's antics, that's when the claws come out. Knowing that she's teased Brett for the last time, Emily does her best to keep Brett on the line. "Okay, let's play," she finally purrs, pinning Brett across her blue-checkered bed.

Straddling the auburn haired stunner, Brett rests her body on top of Emily's bulging boobies. Cupping her melon-shaped titties in her hands, Brett long licks Emily's pink nipples, keeping her eyes locked onto her new lover's hazel eyes. "I've wanted you for so long," Brett moans, continuing her descent down Emily's flawless frame. Once Brett nears Emily's freshly shaven snatch, she suckles around her inner thighs, teasing the buxom beauty before attacking her dampened dugout.

Once Brett gets her first taste of Emily's honey hole, she sheds her angelic demeanour and turns into a horny little devil. Shoving her friend full of fingers and her wagging tongue, Brett goes wild, demolishing every bit of Emily's spicy slit. "Fucking great," Brett moans between slurps, momentarily coming up for air before diving back in for seconds... and then thirds!

Really getting into the groove of things, Emily places Brett in a face-down-ass-up doggie spread. With her hands outstretched against the bed, Brett gently rests her head on the soft sheets and moans, "Take me, I'm yours!" Completely turned on, Emily goes clam diving, delving into the depths of Brett's beaver, churning out one glossy mouthful after another. Taking up swipes of ass meat in the process, Emily isn't shy about really getting her face right up in there. Capturing all of the action with a zoom-in lens, Quasar ensures that not a single speck of Emily's tongue probing into Brett's perfectly pink pussy is missed. The results are nothing short of heavenly.

"SHE SUCKLES HER INNER THIGHS, TEASING HER BEFORE ATTACKING HER DAMPENED DUGOUT"

Right as Emily makes Brett cum for the third time, my time on set ends. With tidings so sweet, I'm sure to have wet dreams for several days running. Once you get your hands on a delectable copy of My *Roommate's a Lesbian 3*, I'm sure you'll succumb to the same fantastic fate. With eight luscious lesbians to choose from, you're guaranteed some premier nocturnal nookie of your very own. Sweet dreams, my friends!

TEREZA

Years ago, Eastern Europe was best known for oppressive political regimes, good Pilsner and baroque old towns full of marvellous architecture and steam baths. But once that Iron Curtain fell, we discovered what an untapped wealth of gorgeous girls were stored there as well. Girls like Tereza, who hails from the Czech Republic, doesn't speak very good English, but still managed to tell us that she likes big cocks in her mouth and sometimes in her bum. Ah, the global village...

Who is Tanya Tate?
I have so many branches, but to put in a nutshell: I'm a performer, director, cosplayer and publicist.

What made you get into the adult world?
I was working in an office near Liverpool and was really bored. I was watching an adult movie with a friend and thought I wanted to try it. I had some pictures taken, did some research and sent them to some of the UK production companies. They liked me, and invited me to shoot with them. Here I am, over 4 years later, living in LA!

Were you expecting to be labelled as a MILF upon starting out, or was it a complete surprise? And were you initially comfortable with it?
I didn't even know what it meant when I was first called a MILF. I soon realised it was actually referring to a fantasy about having sex with a sexy hot older woman. After that I embraced the title. I am now an award-winning – and many times nominated – MILF. I have won SHAFTA MILF of the Year for 3 years running and picked up XBIZ MILF of the Year for 2013.

You have a massive fan-base worldwide – why do you think this is?
When I look at the hits to my personal website *TanyaTate.com* I can see fans do click to watch me from all over the world. When I am performing on my webcam show I have people watching from US in the afternoon, in the UK during the evening and waking up in the morning in Australia. Guys are horny all times of the day! LOL.

I love to reach out to all my fans using social media and the internet on both #SFW and #NSFW websites. I think they like hot busty blonde MILFs all over the world.

What has been your worst non-adult job?
A part-time job working in a greasy fast food place, when I was still at college.

Were you nervous your first time in front of the camera?
Oh yes, I was very nervous – I had to work with Danny D! When I saw how big his cock was I was thinking, 'oh my god'. Once we started the shoot, I just tried to relax and I soon forgot the cameras were even there.

Have you done any interesting shoots lately?
I just recently started shooting for *Kink.com*, and am starting to explore my domination side even more. There is something sexually empowering about being in total control of your partner.

You've released four of your own titles, so far – what made you decide to start directing?
I was approached by Filly Films to direct, and I thought why not. For my first movie, *Tanya Tate The Milf Masseuse*, I chose to massage some very hot ladies, and after that I loved directing! My last movie, *Tanya Tate's Brit School Brats*, was Filly Films' first international release and was shot in London, using some of the hottest UK girls. I also directed a sports vignette for Penthouse 3D channel. I am onto my 5th movie for Filly Films, *College Cuties Seduce Teen Beauties*, a load of sweet young girls seducing hot MILFs... This is going to be a cracker of a movie!

What have you learned about sex – and yourself – from your adult career so far?
I have learned so much. Being on camera, I could push boundaries and do things I would never have thought of doing in my personal life. I have become more hardcore, experienced domination, and found out I could squirt!

What type of scenes do you enjoy the most?
Depends on my mood. I am enjoying savouring hot

TATE'S OUT FOR THE LADS!

Sexy Scouser Tanya Tate, has taken the XXX industry by storm since starting out back in 2009, with her fuckable body and voracious sexual appetite. Nicknamed TNT, the busty award-winning beauty has been milking the MILF market worldwide, and, as she sets her sights on total domination of the porn world, she still flies the flag for Blighty...

"I'M BEST AT SUCKING COCK, LICKING PUSSY AND GETTING BOTH MEN AND WOMEN OFF"

girls at the moment.

What's your favourite 'nasty' act?
Pegging a guy with a strap on, calling him a dirty little shit and making him eat him own cum. Wow, that really just turned me on writing that! LOL.

Do you have any sexual fantasies that you haven't fulfilled yet?
I haven't done anal or DP on film. Maybe that will happen for my *TanyaTate.com* site. Who knows?

Is there anything you wouldn't do on film?
I am not submissive; I don't like being tied up or having electricity zapped all over my body. If there was anything happening to me on camera I didn't like, I would stop the movie and change it up.

You made a DVD and now continue to shoot the concept for your site – do you actually enjoy shooting *Tanya Tate's Casting Couch*?
It is always fun shooting with amateur guys – you never know what you are going to get. Sometimes the guys are really great and you have a good laugh with them; sometimes the really cocky ones are not so good and the quietest ones get wood, bang and give me two cum shots. I have so many *Tanya Tate Casting Couch* scenes lined up, waiting to be posted.

You gained infamy in Britain after shooting *Tanya Tate's Sex Tour Of Ireland* for TVX, with Irish Gaelic Athletic Association (rugby) player, Greg Jacobs. How did you deal with the publicity surrounding the series?
I got asked to do radio interviews and was featured on websites, in magazines and front pages of the national newspapers. I had a good publicist, at Star Factory PR, who helped handle all of the interviews. I heard there was a couple whose Halloween outfit was Tanya Tate & Greg Jacobs, I wish I'd seen that picture. Even the BBC sports show mentioned my *Tanya Tate Sex Tour Of Ireland*. It was then I thought, 'I really am a porn star'.

Who is the best shag in porn?
Depends on whether you want to make love – that has to be Mr Pete; the squirt masters are Peter Oh Tool and Marcus London – or just being pounded, good and proper, by Jay Romer or James Dean. With girls, there are so many sexy hotties that know how to lick my pussy just right. I love playing with Julia Ann, India Summer, Celeste Star and Lea Lexis, just to name a few.

What is good sex?
When it feels really good. That includes foreplay.

What do you think you're best at sexually?
Sucking cock, licking pussy, and getting both men and women off.

How often do you masturbate?
It depends on my mood. In the mornings, I get to feel really horny and have to play. On days I webcam for my fans, I really am horny all day. I have to take a break to recuperate, just to give my pussy a rest from my toys.

What's the largest number of blokes you've fucked at one time?
Four guys, on my gang bang scene in *Tanya Tate's Casting Couch*.

Honestly now, does size matter to you?
I am not a size queen, it's about it staying hard, and how the guy uses it that counts.

What is the most sensitive part of your body?
My clit and my feet.

What turns you on?
Being touched, licked and kissed all over.

And what turns you off?
Arrogance, smelly people and disrespectful people.

Were you a porn fan before you started out in the sex biz?
I masturbated over men's mags and loved to read reader's letters. Must be why I love doing a lot of role-play webcam sessions and phone chats with fans!

And do you remember what the first porno you ever saw was?
I watched softcore on German cable TV – the one where you couldn't understand the words but you knew the storyline. There was a boy at school that used to sneak in VHS tapes for me to watch at home. I don't know how I was never caught with them.

How do the British and American porn industries differ?
They really are pretty much the same except the British is much smaller than the US industry. Many of the big companies in America have much larger budgets and much bigger sets. Some of the houses we shoot in are amazing.

What is the best bit about being a porn star?
You can't find a job being more enjoyable than being a performer. Being made to look sexy and then getting to have so many orgasms!

Why should a viewer choose to watch one of your movies over everything else?
My movies have a story, intertwined with lesbian seduction and sometimes with a sinister twist. If you want to see hot girls making hard, passionate love to each other, enticed by a hot busty Brit, you have to watch my Tanya Tate movies!

For those who aren't familiar with your Comic/Cosplay blog, please tell us about it...
JustaLottaTanya.com is my cosplay blog where I get to show off pictures of me dressed as sexy superheroes at different conventions. I also review movies, comic books, figures, and all things geeky. The videos are also posted to my blog via my YouTube channel, *YouTube.com/TanyaTateTube*.

Were you into superheroes/cosplay before you

"I AM NOT A SIZE QUEEN. IT'S ABOUT IT STAYING HARD AND HOW THE GUY USES IT THAT COUNTS"

began shooting porn?
The first superhero I watched was *Superman 2* and I loved it! I would also watch *The Hulk* series and *Wonderwoman*. I've had a love of superheroes since then. I first saw people dressed up as superheroes when I was visiting San Diego in 2009. The following year, I got myself an Emma Frost costume and went to San Diego Comic Con.

How do your comic/geekier fans feel about your adult work, and how do they differ from your porn fanbase?
When I meet the fans at comic conventions, some of them ask my name, then they realise who I am and I see a big smile on their face. Some don't know about my adult work until they get home, Google my name and bang, up comes my porn! In person, the geekier fans are generally more respectful, they don't go in for an uninvited grope. Of course, that always end in a smack from me. Bad boys! LOL!

> **"YOU CAN'T FIND A JOB MORE ENJOYABLE – BEING MADE TO LOOK SEXY THEN GETTING SO MANY ORGASMS"**

What's the best way to get you off?
Lick my clit all day long and you will keep me cumming.

What is the weirdest or craziest thing a fan has done for or to you?
I have a lot of fans that buy me goodies from my Amazon wishlist. I have had so many things, including sponsoring my tiger, so I could be an adoptive parent.

And what's the weirdest thing a fan has asked you to do?
I do one-on-one webcam via skype (they can buy time in my store *TanyaTateStore.com*) and dirty phone chats – *CallTanyaTate.com*. I have a lot of guys who want to play out the 'mummy/son' roleplay, where they get punished by mummy for being naughty. The most unusual custom movie I have been requested to shoot, was forced bi-interacial, where I forced my 'white husband' to suck black men's cocks.

Can you tell us something that your fans would be surprised to learn about you, please?
I can ride a big motorbike and I can knit.

What are your plans for the future?
I am planning to concentrate more on my directing and on my publicity company, Star Factory PR. I am also working on a Tanya Tate comic book and web series! The info will be posted nearer the time on my cosplay blog *JustaLottaTanya.com*.

What's the best piece of sex advice that you can give to our male readers?
Us girls like a clean man so get a shower, freshen up and clean your bits! Throw in some compliments, a good bit of foreplay on her and then go for it. And if your girl has a headache, try a Tanya Tate Fleshlight – it's the best selling men's masturbator toy, made from a mould of my actual pussy.

And finally, how can our readers get in touch with you?
Lots of ways! My hardcore website, *TanyaTate.com*, my cosplay blog, *JustaLottaTanya.com*, tweet me @ TanyaTate, like my Facebook page @RealTanyaTate, call me at *CallTanyaTate.com*, fuck me on *FuckTanya.com* and for all my other websites, go to *ItsMyURLs.com/TanyaTate*!

Please don't tell
BiBi Jones Selena Rose

In this sexy tale of love, lust and lies, Selena Rose, a clever con artist, spins seductive webs of deceit with the new girl-next door, BiBi Jones. Together, they team up and seduce taken men into having hardcore sex with them. Once the deed is done and their romps are secretly recorded on Selena's hidden digital camera, the dynamic duo extorts the men of their hard-earned cash, thus buying their secrecy.

This is the spicy storyline manufactured in *Please Don't Tell*, a torrid scam created by director Robby D for Digital Playground. Once again bringing the house down with a star studded cast of gems, including BiBi Jones, Selena Rose and Brooklyn Lee, Robby creates a palpable pulse with his lens, building an intriguing tale that comes crashing down like a house of cards at its finale. But, before we get ahead of ourselves, let's start from the beginning.

The movie opens with Manuel Ferrara, a dutiful boyfriend, desperately trying to yank Ava Addams' panties down her sculpted legs. "Let me help you with those," he playfully smirks, planting a sexy row of kisses down the curve of her tanned shoulders. "Your niece, BiBi, will be here soon. We don't have time for this," she responds, hushing him up by sticking her huge natural breast into his open mouth.

Squishing her fleshy tits in his palms, Manuel definitely has more than a handful to deal with. Soon he's rolling her pomegranate-shaped nipples around his tongue and is fingering her soggy slit. Spreading her legs a bit wider to get the most out of his probing digits, Ava seems ready for Manuel to give her a thicker poke. From the look of his rock hard boner, we'd say he's ready too!

Placing his lovely on the edge of the bed, Manuel settles into position between her legs. After biting her inner thighs and tugging on her labia lips with his teeth, Manuel swivels her tasty pussy swill around his mouth as if savouring a sip of fine wine. "Shove your tongue deeper," she moans, holding her knees back to control them from shaking. Continuing with his oral play, Manuel doesn't let up until this busty beauty bubbles and squeaks.

Now rendered a soupy mess, Ava continues holding her legs back, coaxing Manuel into their first hardcore position, missionary. Without the need for any preliminary pumps to help acclimate her pussy to his lofty size, Manuel dives right in, immediately on a mission to tap

“HER EYES WATER AS HIS COCK EXCAVATES THE DEPTHS OF HER GREEDY THROAT”

into her G-Spot. Once located, Ava begins howling, wiggling around the bed as an orgasmic wave starts building from her toes up. “Almost, almost,” Manuel says, secure in the fact that he’s about to make his girl explode. Once he tilts her hips up and sucks her toes, Ava bursts like a party piñata as her liquid candy coats their inner thighs with syrup. Yes, it’s a yummy beginning!

Once BiBi, Manuel’s niece, arrives at their house, Ava is excited to take her out for ice cream and get to know her better. This outing creates the perfect opportunity for Selena Rose to strike. Knocking on the door, Selena tells Manuel that she is locked out of her house and asks if she may stay over until her mother returns. Being quite neighbourly, Manuel finds no fault in this innocent request and allows Selena to enter. Selena’s game is now in motion.

After sitting on the couch together, Selena opens her legs and begins to flirt, “Your girl has a nice big rack. But I have cute titties too.” Not really knowing how to respond, Manuel simply stays quiet and continues sipping his drink. That tactic only works until Selena pops her tits out from her bra. “Hey, put those away,” Manuel nervously requests, unable to remove his eyes or lips from her tits.

Now straddling his lap, with her denim skirt belted around her waist, Selena arouses Manuel’s mouth with her Latina tongue. “You taste so good,” she moans in a cute Spanish accent that makes her sound like a total slut. As he begins to respond, she plops her smallish titties into his mouth to quiet his comments.

Ready to take a more dominant role, Manuel grabs Selena by the back of her silky black hair and positions her bubbly lips around his pole. “You want to play, little girl? Suck this,” he grunts, watching her mouth fill up with meat and her eyes water as his cock excavates the depths of her greedy throat.

After cleaning Selena out from pussy to pucker, Manuel folds the Latina sexpot into doggie position and gives her a hefty serving of his French baguette. Loving every second of his passionate style, Selena percolates with pussy pop as he smears his homemade crème fraiche across her butt. When the deed is done, Selena grabs her hidden camera from a shelf and reveals her secret, “You’ll pay me what I ask, or else I’ll tell Ava everything.” Now shitting bricks at the severity of it all, Manuel knows that he is FUCKED!

Letting BiBi in on her little money making scheme, Selena is quick to teach her new protégée the tricks of the trade. For BiBi’s first meet and greet, Selena takes her over to meet Danny Mountain and his smokin’ hot girlfriend, Brooklyn Lee. After an awkward introduction that leaves Brooklyn scratching her head and Danny stroking his dick, Brooklyn decides to stack the cards in her favour by pleasuring her man.

Lunging toward Danny, Brooklyn feeds her honey samples of her sweet tits before opening up her long legs for him. Diving right into position, it seems Danny can’t wait to wrap his tongue around her wet pink parts. Hooking the bend of her legs around her arms, Brooklyn watches as Danny’s mouth morphs into a human chainsaw. Chugging away like a lumberjack, Danny pays expert attention to Brooklyn’s throbbing clit, causing her face to contort and her lips to quiver. “Fuck, that’s good,” Brooklyn moans, thrusting her hips into the curve of his chin. After several minutes of his oral expertise, Brooklyn is ready to go harder and deeper.

Feeling in charge of the situation, Brooklyn takes the lead by positioning herself on his lap in reverse cowgirl position. With a visibly sticky pussy and lust in her eyes, Brooklyn treats Danny’s dong like her own personal pogo stick. “That’s it!” she charges, smacking her thighs onto his lap as she comes crashing down on him. As her legs begin to tire, Danny takes over from underneath, pounding this porn princess into a gooey pulp. Not sure what to do, Brooklyn simply spikes the heels of her boots into the carpet and goes on the ride of her life. Hot!

Knowing that Danny took a shining to BiBi, Selena makes a call and has Danny meet them at BiBi’s house. “I don’t know about this,” BiBi says with worry, knowing that what she is about to do for money is wrong. “They’re cheating dicks. Don’t feel bad. They deserve

"HER PUSSY STICKY, BROOKLYN TREATS DANNY'S DONG LIKE HER OWN PERSONAL POGO STICK"

all they are going to get," Selena smiles, coaxing her friend into action as she places the hidden camera on a nearby shelf. Swallowing hard, BiBi agrees, just as Danny enters her room.

"Is this secret safe with us?" Danny questions before pawing his way across BiBi's bulging breasts. "Sure, I won't tell," BiBi smirks, greeting his lips with a passionate kiss. Unable to stop his manly urge for her, Danny goes straight for BiBi's tight jeans, shimmying them down her legs. Danny tugs her black panties to the side and smashes his face into her snapper. Diving into her as if she were an all-you-can-eat Vegas buffet, Danny samples every single bit that BiBi has to offer. "Oh shit, you taste so fucking good," he smiles.

These two effortlessly glide into several hot positions that showcase BiBi's fabulous physique. One of the best arrangements occurs in cowgirl, when BiBi takes the reigns and breaks in her steed in true porno style. Grabbing her by the hips, Danny disconnects BiBi from his cock and gives Robby D's camera a sexy surprise... a gaping pussy hole! Once his juice is loose, Selena bursts into the room with her hidden camera in hand and smiles, "We want money, so pay up or this shit is going on the internet!" Grabbing his pants and giving these two girls scathing looks, Danny spits, "You fucking bitches! That's so fucked up!"

As BiBi and Selena's scheming and sexual extortion continues, BiBi begins wondering when she'll ever see actual money for all the fucking she's been doing. This is where the story takes a twist. Will BiBi ever see any of that cash, or has she too been played for a fool? Guess you're going to have to watch the tempestuous finale to see which bitch will reign supreme!

AVA

When Ava first came into the office, we didn't realise she was a rising porn star. Nope, we thought she was just a nice glamour girl who we couldn't wait to get in the mag.

Pretty much an hour after she left, someone showed us some of her film-based 'handiwork', and we were left feeling sick. Then sexy, but mostly sick. After all, it's not every day you blow a chance to chat up a genuine, down-to-earth but oh-so-dirty porn star. We reckon we could have. Oh yes...

CURRIE ON...

GENERATION SEX!

Our resident columnist and porn legend Karina Currie weighs into the debate about internet porn, ISP's and responsibility...

Every generation that's born is expected and accepted as being better, brighter and quicker than the last. We wouldn't be doing a very good job as procreators, developers and designers if this wasn't the case. So, as each generation of mobile phone, tablet, or TV for example, becomes more efficient, user friendly and intelligent, so do the consumers that use them. This evolution has not been restricted to the availability and variety of technology either. Athletes and sports people are doing things today that were thought of as humanly impossible 50 years ago, and people are continually pushing the boundaries and breaking previous records in every shape and form. This includes sex.

The first electric vibrator available for consumer retail back in 1902, marketed to women for stress relief and muscle strength, has evolved into something that would look quite alien to its poor old predecessor. Most older women out there would probably be able to lay out their vibes in a timeline throughout their sexually active years because, let's be honest here, nobody wants to throw them in the general rubbish bin for fear of the bag splitting at that precise moment the bin man lifts said bag from your bin to the truck. Oh the shame!

We have always been sexually evolving, with the original function of fucking being breeding. But throughout history we, as the imaginative creatures we are, have spiced it up on the way. So why, you may ask, am I writing about

"WHEN I WAS YOUNG, FINDING PORN IN A BUSH WAS THE BEST YOU COULD HOPE FOR"

"RESTRICTING ADULT CONTENT IS AN IGNORANT AND BLINKERED MOVE"

'Generation Sex' when surely every generation has been exactly that? The answer to your question is simple. Information overload and accessibility of the depiction of sexual acts otherwise known as porn.

When I was a young teen, finding porn stashed under your parents bed, discarded in a bush or strewn about in a woodland clearing was about the best you could hope for, so as the curiosity of youth dictates, which applies to everyone growing up, we looked upon these images with intrigue and amazement and a sense of, 'oh that's what that's for!'

I spent my youth growing up in the 80's and 90's and saw so much technology being born. The VHS became what it was because of pornography smashing the Betamax brigade. Mobile phones started a phenomenon called sexting, followed later by the ability to send a saucy pic along with the naughty text, and then the Internet arrived. It gave you a gateway to a variety of pornography never seen outside of a German sex shop. Anonymity and variety to consumers was just a point and click away. Nobody needs to feel alone in their sexual preferences anymore because – guaranteed – there was someone else just like you, with the same kinks and a camera to document it for your viewing pleasure.

Now, this wouldn't be a bad thing, but remember, just as I and many, many other young people, had once found porn in random places, the igeneration – as some scholars call the youth of today – look in the environment they explore. The outside world is soooo passé unless it's the shopping centre or outside Maccy D's and you're not going to see a magazine discarded anywhere near there, because they are bloody expensive nowadays and kept safe in a collection by the loyal mag consumer! So, back to the playground of the younger generation, the world wide web!

Sexual curiosity and experimentation are programmed into us from birth, so it's only logical to assume that every young person, left to their own devices, with their own devices, will at one stage or another check out the effects of typing 'sex' or 'blowjobs' or 'fingering' into a search engine and et voila! Plenty of material to have a look at will pop up instantly.

The recent debates about ISPs (Internet Service Providers) being targeted by Parliament to install default filters restricting adult content is what I would call an ignorant and blinkered solution to a behaviour that has been part of growing up for centuries. I agree that there should be better adult verification filters, tougher laws on ISPs who are found to be in part guilty of broadcasting child porn, bestiality or forced unconsenting sexual acts and the gratuitous use of violence in porn. But I also believe that parents should be held accountable if they give children the platforms needed to access the material in the first place.

So many young teenagers and even younger children are running around with a personal smartphone, and as long as they have internet access, they can browse, share and upload sexual content – which is fast becoming a trend. If parents want their offspring to have a phone for safety etc., then surely a simple handset that only allows you to actually phone or text the owner is adequate!

Home computer and tablet usage should be monitored and appropriate adult filters which already exist should be implemented and, above all, education about sex and sexual curiosity should be started at an age when children are becoming self aware, not when it's too late and your daughters are posing nude and posting pics of themselves on Instagram for self confidence and validation of their attractiveness to others.

We are a generation of sex and it's everywhere. I counted 4+ glossy women's mags that had front page titles referring to sex and how to get better at it, how to get it and how to do it. Sex sells most things from perfume to clothing and even food! (Remember the Flake ad?) We are generation sex but that doesn't mean we have to cheapen it by learning to gain acceptance from our peers by showing all who are interested and this again boils down to the education we receive from our role models.

Sex is the most natural thing in the world for all living things and curiosity is what keeps us ever evolving. Porn alone shouldn't stand accused of being the detrimental factor of the youth of today because it has always been there. What's different is the responsibility of education that communities, care givers, guardians and parents are unwilling or unable to take.

TINA

Tina just made her first trip to London and was determined to have sex in some famous places. Unfortunately, it wasn't that easy.

"There is so much security at Buckingham Palace and the Tower of London, no time on the London Eye, but I managed to at least tick one place off my list when I was there."

Oh yeah?

"I wanted to fuck in a lift going up the Shard, but had to make do with a quickie in one of the restaurant toilets. Although I've had sex higher than that before!"

SATIN

STRIPTEASER

Some call her Satin, some call her Satine. All we know is that we call her a lot and ask her to show her private parts to the loyal *Club DVD* readers.

An appearance by Satin always swells the magazine's mailbag, with love letters aplenty, but also lots of missives detailing what they'd like to do to her, and in which holes. Do we forward these on? Satin demands it!

"I love the letters I get from all the horny men," she says, "and if they're rude enough, I usually wank while I'm reading them and splash them with my cream!" So now you know – time to get writing...

CONFESSIONS OF A SE

Got a filthy tale or two to tell? Get it on an e-mail to clubdvd@paulraymond.com and you could earn yourself a sweet £100! And you can send us the snaps too!

I cheat on my boyfriend – and I'm telling you guys because no one I know would understand. I love him and when we have sex it's more than satisfying, but he runs his own business which means he's often away from home or just too knackered to be in the mood.

It's my dirty little secret, with the emphasis on dirty. When I play away, the sleazier the fucking is, the better. At first, I thought it was a messed-up way of punishing myself for being a slut, like it's what I deserve, but recently, I've had to admit to myself it's something I get off on.

Take the time I shagged a lad called Jake. I met him at a club and was soon all over him in the corner of one of the booths. He said we'd better leave before the bouncers kicked us out – I think he was actually more scared he'd jizz in his pants from me rubbing him through his jeans.

As soon as we got outside I dragged him down an alleyway. He kept saying calm down, we could go back to his. I said I couldn't stay out all night – which was bollocks as I'd just be going home to my own empty flat and my empty bed.

Within ten minutes, he had me up against a fence with my skirt hiked up and my tits out. He was drooling all over them and fingering me through my soaking-wet knickers then he had them down to my ankles. I kicked them off one foot and spread my legs, squirming on his hand as he jammed it between my thighs and stuffing a nipple in his mouth. Then I fumbled with his jeans again, almost ripping them open as I tried to get at his cock.

I'd done most of the job of getting him hard while we'd been in the club, but he seemed to get even hornier as I wanked him. I cocked a leg up, wrapping it around his waist just before I put him inside me. He groaned and started ramming into me, almost lifting me off my other foot every time he pounded up my cunt. I knew he wasn't going to last long, but I didn't really care. I moaned and gripped his shoulders as he hit the final few strokes then shot his wad.

He clung onto me for about a minute, then staggered back, looking a bit dazed. I rummaged in my bag for what he thought was a lipstick – which it could have been given the mess he'd made of mine. But it was actually a mini vibrator and I used it on my clit while I fingered my spunky hole, bringing myself to an orgasm. He seemed a bit put out that I'd had to finish myself off, but I told him not to worry – that even if I don't cum when I'm being fucked, having a nice, stiff cock inside me, opening me up and giving me a good rub inside means that when I do get off it's much more satisfying. I used my knickers to clean myself up and when he asked could he take them, I said no. But I went home bare-arsed, leaving them behind as a marker to what a dirty slut I'd been. I wonder who found them, or if they just ended up in the rubbish.

Another time, I did go back home with a lad because he'd told me he was a student who shared a house with four other guys. The place looked like it hadn't been cleaned in about six months – that was the "sleazy" box ticked, as was the fact he crashed on a mattress on the floor.

I acted drunker and louder than I usually am, moaning at him to suck my tits. He kept shushing me in case his housemates were in. I don't know if I was hoping that someone else would come steaming in hoping for a go on me, or that they'd just be lying there in their pits tossing off over the overheard screams and dirty talk.

This time I had him on his back and rode him, with my trusty mini-vibrator on my clit while he was inside me. He just looked stunned when I began cumming around his shaft – probably I was the first woman to do that – and I came again when I sat right back spread my legs wide to take him deep as he spunked inside me.

I didn't hang around – his cock was still hard when I left, although I did give him a final goodbye snog and grope of my tits – I'm not totally heartless. And as I walked down the stairs I noticed another door opening slightly, no doubt one of the other guys wanting to see the slapper his mate had pulled.

Another reason I think I like my playing away to be down and dirty is that my boyfriend treats me like a princess when we're together, so at least I can tell myself I go looking for something different with the others.

That was certainly true of the last guy I messed about with, Liam, the only one I've gone back to for seconds. He was a bit of a bossy sod right from the off – not a nasty piece of work, just one of these guys who's used to being in charge.

When we were fucking he'd just tell me or position me how he wanted. I tested him a few times, saying "no" or "sod off" or just ignoring him and he never got arsey but he obviously got off on me

"I FUMBLED WITH HIS JEANS, ALMOST RIPPING THEM AS I TRIED TO GET AT HIS COCK"

obeying.

We didn't swap numbers but I took a chance that he'd be in the same pub I'd originally met him, and sure enough, he was. He didn't seem that keen on a "rematch", telling me he was off to the football the next day, but I wore him down, telling him I'd let him do whatever he liked to me if he took me home.

We had a couple of drinks and back at his house his hands were all over my arse. I wriggled and ground myself around when his fingers slipped in my crack and moaned like crazy when one of them slipped into my arsehole.

I had a little sachet of lube in my make-up bag, and smeared it all over his cock, wanking it root to tip with both hands till it was rigid and bobbing up from his crotch. Then I slathered more on my bum, and had him tease me like a bastard, running his tip all over my slit and crack, sticking it into my pussy for a few pushes, then finally, slowly, sliding it up my arse.

He felt so huge up there and I felt so filthy – even my boyfriend's only allowed anal as a treat. He took it easy on me, stopping if I made so much as a squeak, until I had to tell him to ignore my moans and only stop if I actually told him to stop.

"I'll stop when I've cum," he said, but he didn't force anything, grinding then thrusting slowly before building up to a full-on fucking. I was reaching back to spread my cheeks, wanting as much of his cock up my arse as I could get. He lasted for ages, but then I felt the hot rush of jizz deep inside my bum. I rubbed my clit, cumming myself, the juices dripping out of my open cunt, and I came again as he pulled the swollen head of his prick back out of my tight ring.

Next morning he said I'd better go as his mate was coming to call for him to go to the footy – but I kept him in bed right up till the doorbell rang. He went for a shower telling his mate, "She can give you a beer and blowjob while you wait." Just a wind-up – I think – but I said OK, got the bloke a lager out of the fridge then got down on my knees in front of him. The two of them were pretty gobsmacked, and the other guy – I never found out his name – said his missus would kill him if she found out but Liam said, "No one here's going to tell her."

His mate knocked back the beer then just nodded, and I unzipped him. He wasn't as big as Liam – his cock was a bit stubby but there was plenty to get my mouth around. It took a while to get him hard – nerves, probably – but I was well into sucking him and playing with his nuts by the time Liam came back down again. I'm not convinced that his mate appreciated the audience, but his dick was too far gone to care.

"Give her a facial," said Liam, and I didn't protest. I let him slip out then wanked his pole until he was spurting his load on my face.

I'm writing this because I've told myself no more cheating, but even now I don't think I'll be able to stick to it. I won't go back to Liam and I won't go out looking for cock any more. But if temptation comes my way I can't be sure I won't say yes.

APPLE MACBOOK AIR 13IN 2103

The domination continues on with the latest in the Macbook Air series, meaning all the essential and some unexpected updates that make it difficult to choose anything else once you know about them. Not only does it have the latest Haswell processor from Intel, but also packs HD 5000 graphics and even more improvements to the RAM and SSD. These improvements to the speed mean you can finally recreate a scene from *24* or *The Bourne Identity* where you open a laptop and you can actually start typing some sort of code instantly! The networking, too is a real clincher as it basically means that the router tunes its Wi-Fi signal to your location and runs with the typical Apple smoothness. The fact that it has an epic battery life too, means it's pretty much guaranteed to be the laptop of choice amongst 'creatives' in the cafes of East London.

Pros: Processing power. Battery life.

Cons: As ever, on the expensive side of things. No retina screen.

BANG & OLUFSEN BEOVISON 11

Okay, now this is something for the seriously well-off… or the seriously insecure who want to present that they have a better life with 'shiny stuff'. All jokes aside though, this is a pretty amazing looking and operating TV, with even the option to have it customised to fit in with your home décor.

With this targeted at the ever-growing premium market, they've made sure not to rest on their company's reputation and addressed the one beef with most TVs and that's the issues with sound. None here, however, as it delivers in style and even offers a maximum volume level of over 100dB. Crucially the picture quality is punchy and subtle and despite only being a fairly common edge-lit LED, performs to the highest level even when in 3D mode. This is definitely a 'you get what you pay for' situation, but you may still find your friends going "5 grand for a telly?!"

Pros: Amazing sound. Style and build.

Cons: 3D glasses aren't supplied and aren't cheap.

NOKIA LUMIA 925

Nokia are currently in the "lets try anything to wrestle our previous market dominance back" phase, and knowing that they can't necessarily do this with meaningful things like better OS, they've released the new Lumia as the lightest and thinnest yet. The fact that they've managed to do this without losing anything from previous models is definitely an achievement. The screen is still more than capable and the battery life is even capable for nerds to handle lengthy 'sitting on the toilet to waste time' gaming sessions at work. The thing they're shouting about the most, though, is the new Nokia Smart Camera software that allows you to take ten 5 mega-pixel images and then play with them to choose the best shot, remove objects or create action with multiple frames. Imagine that? Ten versions of your plate of pasta in Zizzi's – perfect!

Pros: Slimline, robust design. Smart Camera technology.
Cons: Only 16GB storage though most networks.

SONY SRS-BTM8

Now we know what you're all thinking. The summer months are here and you want to go to the park and perv over all the fit women, whilst playing carefully selected music that makes you both cool and approachable. Plus, you want to do it from a portable stereo that looks a bit like a handbag right? Well, we realise the last bit is maybe not ideal, but in practical terms the fact that this new Sony system carries so well is a definite plus.

That and the fact that it can pair with your phone or tablet means that you can subject the surrounding area to your latest Rizzle Kicks DJ mix for Annie Mac or whatever the world is into these days. What you really want to know though is does it go loud? The answer is yes, so that slightly counterbalances the feminine nature of its appearance… Unless you go for it in white.

Pros: Good sound and value.
Cons: Er… It looks like a handbag?

SONY VAIO DUO 13

Tablets and PCs will surely one day not exist as separate entities, and Sony and a few others are trying to speed up the process with these hybrid machines. The new Vaio Duo however, is a pretty sleek affair, but due to its hinged screen only really works as a touchscreen in one position when docked, therefore making it tricky for using anywhere but at home. On the plus-side it contains the much talked about new Haswell processor from Intel and as purely a new Sony laptop, its performance ranks up with the best. Add to that a more than respectable battery life and screen, and the question will purely remain for now and maybe a couple of years yet, whether you would just rather buy the best tablet available rather than have one as a kind of add on to an already great laptop.

Pros: Battery life. Thin.
Cons: Expensive.

BUSTY ANAL WHORES 4

(Pumpkin Media)

Fancy throwing yourself into some plotless porn where pretty fit Euro bints get their backdoors not so much kicked in as driven through in a 4 x 4? Pumpkin Media are your people. Their compilations of Euro scruff are no nonsense but always hit the mark, especially when you've got the likes of Britney, Roxy Panther, Miranda and Constance Devil putting their arses on the line. We may want to scold some of their plastic surgeons – seriously, we'd sue some of those – but below par boob jobs are no obstacle to getting your rocks off to this lot.

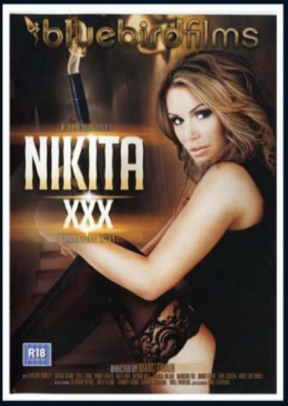
Digital Playground appeared to have stopped their semi-gonzo 'Jack' series a while back to concentrate on features, so this is a refreshing return to one of their best threads. There's some humour, there's some silliness, but most of all there are five hot broads begging for bones and getting 'em. Contract girl Riley Steele opens things up in a tryst with James Deen, closely followed by the blonde and big-boobed Rikki Six, the heavily tatted Christy Mack, the gorgeously slutty Bridgette B and the oiled up and good-to-go Natalia Starr. The sex is pretty intense, the visuals lovely. Your balls? Empty.

NIKITA XXX

(Bluebird)



We never had much trouble knocking one out to the original film of *Nikita* – starring Anne Parillaud – the remake – starring Bridget Fonda – or the TV show – starring Maggie Q. So this has got a lot to live up to. We're glad to report it doesn't disappoint, with as fine a selection of British girls as can be persuaded to get fucked in front of a camera. Natasha Marley, Gemma Massey and Anna Lovato hold up the Brit side of things, while imports Bobbi Starr, Katie Kox, Andy San Dimas and Dani Jensen turn this into an A-list affair. Sizzling…

Filthy Fantasies 2
Magik View

Private and Magik View have conjured up a mixed bag here, although this isn't really 'Fucking Filthy', with all the scenes being pretty straight, with a DP thrown in at the end. But it does star some hot girls, the vignettes strung together as if they're the fantasies of the constantly masturbating Michelle. So we get Dara sucking off two before just one of them rides her, Dominik Drew also gets an anal pounding and then Mela puts in the weakest scene – not helped by a horrible sofa and crap music. The Mandy Dee scene is little better, but thankfully brief, before Aliz arrives to save matters by being hot and doing a DP. There's a lesson there, Michelle.

WWW.TEENSANALYZED.COM

Quite often in these pages we'll feature websites that are niche or unusual, or try to tease out a theme. Not today. No, today we just want to see some (entirely legal) teens getting their back doors kicked in, and there are few better places to go for it than this site.

Updated regularly, with HD video and hi-res galleries, this largely features unknown Eastern European babes taking massive cocks in their arses. We don't know what else to tell you, we really don't. If that's what you like to see, you need to be over here, sharpish…

WWW.FERAME.COM

Those who like Asian girl will know a) that there's a tremendous amount of Asian porn around, and some of it is brilliant and b) there's way too much of it that's censored and pixellated. Well, *Ferame.com* delivers HD hardcore video with Japanese girls and nothing is blurred out. There are some stunning region 3's on here, with most of the action being confined to POV blowjobs, but with bonus sites thrown in catering for a few more fetishes. As an extra added bonus, the small Japanese cocks they use will make us all feel a bit better about ourselves. Well, at least a little bit...

WWW.DOMINATEDGIRLS.COM

Not hugely dissimilar to certain big US fetish websites, this is the European version of all those dungeony, bondage sex scenes that flood the interweb. It's done superbly – 1080p video, big pictures, lots of scenarios. These range widely from the tame to the harsh, with girls tied up and bummed, ropes, winches and so on – all with top class girls and big name babes like Madison Parker and Jessica Moore.

But be warned – some of it is eye-watering stuff… In fact, we're sure some of it will be scrutinised in forthcoming internet porn debates, even though this is entirely consensual stuff.

Fresh from the joke factory...

An 85-year-old man goes to his local hospital for a check-up. As he chats away to the doctor, he tells him that he is due to marry a 20-year-old girl in a few weeks, and asks if he has any advice for him. The doctor thinks for a moment, "Well, you're fit as a fiddle, but if you want my advice, to make your marriage a happy one all round you'll take in a lodger to take care of any extra needs there may be, if you get what I mean?" The elderly man nods and promises that he'll think about it. Six months later, the old man goes back to the hospital for some routine blood tests, and bumps into the doctor, who asks how his marriage is getting on. The man is overjoyed, "Oh, it's fantastic, doc! My wife is pregnant!" The doctor grins knowingly, "Congratulations! So, can I assume you took in a lodger, then?" The 90-year-old man winks at him and replies, "Oh, yes – and she's pregnant, too!"

……

The difference between sex for money and sex for free is that sex for money usually costs less.

……

One night, a doctor and a lawyer are driving separately along a quiet motorway, when they crash into each other. As both drivers are distracted and driving somewhat recklessly, they are both partly to blame. Although neither man is hurt, a fair amount of damage is done to both vehicles in the collision. After getting out and inspecting the damage, the lawyer calls the police on his mobile, who say they'll be with them in 20 minutes. It's cold and damp and both men are shaken up, so when the lawyer remembers he has a hip flask of brandy in his car, the doctor gratefully accepts a drink. After he's taken a few glugs, he hands the flask back to the lawyer, who puts it away in his pocket. The doctor notices this and asks, "Aren't you going to have a drink?" the lawyer shakes his head, smiles and replies, "Yes, but AFTER the police get here..."

What is worse than a cardboard box? Paper tits.

……

Candy was a prostitute, but didn't want any of her family to find out – especially her grandmother. One day, Candy was at a sex party in a hotel with a group of other prostitutes, when the police raided them. The police marched all the hookers outside and had them line up along the driveway, Candy among them. All of a sudden, Candy's grandma came by and saw her beloved granddaughter, hanging around in the street, so she asked her, "Why are you standing in line here, dear?" Not willing to let her grandmother know the truth, Candy told her that the policemen were passing out free oranges and she was just lining up for some. "Why, that's awfully nice of them. I think I'll get some for myself," said grandma, and she went off to the back of the line. The young policeman walked down the line, asking each hooker for their information and identification. When he got to Grandma, he was slightly shocked and couldn't help but remark, "Wow, you're still going at it at your age? How do you do it?" Grandma replied, "Oh, it's easy, dear. I just take my dentures out, rip the skin back and suck them dry." The policeman fainted.

Light travels faster than sound. That's why some people appear bright until you speak to them.

……

A guy was out drinking with his buddies and the conversation turned to the fact he was out till the early hours boozing every night, and yet his wife never got upset with him about it. As they had brought it up, he decided to let them all into his secret of a happy life, "As soon as I get inside the house, before she can say a word, I sweep my wife onto the bed, take off her knickers, and give her the best oral sex she's ever had. And I keep going until she has had such an orgasm that she falls into a really deep sleep. Then, I go downstairs and wash the dishes, before I go to bed. By morning, she is so pleased with me that she doesn't care what time I came home." His friends all laugh and take the piss out of him before the conversation moves onto something else. One mate in particular, however, thinks this is the best idea he's heard. So the next night, he goes out on the piss and comes home really late. As quietly as he can manage, he sneaks into the bedroom, and without letting her get a word out, gives his wife the best oral sex she's had. When he's finished, he sneaks out of the room and goes downstairs to wash up. Walking into the kitchen, he's gobsmacked to find his wife sitting there, looking pissed off that he arrived home so late. Before he's able to speak, she says, "You're finally home, then, drunkard? My mother had a burst pipe so she's sleeping in our room tonight."

Six Of The Breast

Readers will notice the absence of Auntie Em, who has finally hung up her G-string and headed to pastures new. Instead, we bring you the brand spanking new Six Of The Breast for you to feast your eyes on!

This issue, we bring you Six of the Breast... jailbirds. Yup, some porn stars just can't keep on the straight and narrow and want to swap their birthday suits for those little suits with arrows on them...

Porn Moniker: Melissa Walker
Real Name: Melissa Walker
Movies Made: 45
Crime(s) Convicted Of: Wounding with intent.
Year She Fucked Up: 007

What Happened: Melissa stabbed her boyfriend during a booze and coke binge, nearly killing him, simply because they had misplaced the last of their stash and he wouldn't help her look for it. He had to be revived three times and only just made it through surgery, luckily for the porn star with the alleged £1,000-a-week habit. Melissa stood trial twice for the offence, the jury in the first trial having been discharged after failing to reach a verdict. Originally sentenced to just 2.5 years, she (rather stupidly, in hindsight) appealed the decision, only to have the judge rule the time 'unduly lenient', and increase it. Doh. She should've stuck to whacking men off, rather than trying to whack them.

Punishment: The sexy blonde from Hove was arrested at the scene, confessed to the stabbing and was subsequently locked up.

Any Jail Time? Yup – 4 years 9 months.

Porn Moniker: Stormy Daniels
Real Name: Stephanie Gregory Clifford
Movies Made: 152
Crime(s) Convicted of: Domestic violence.
Year She Fucked Up: 2009

What Happened: Although previously announcing that she was considering a career in politics, Stormy Daniels was arrested for allegedly beating her husband up, just hours before the porn actress-turned-director was due to appear at an adult bookstore signing in Tampa Bay, Florida. Apparently, he called police after she flew into a rage and lashed out upon realising he had not done the laundry or paid certain bills. However, although she admitted to lobbing household items at him, she reckoned she couldn't remember striking her obviously better half. May we suggest getting a housekeeper and a good therapist?

Punishment: Stormy was taken to the Hisslborough County jail when arrested, before being released on $1,000 bail.

Any Jail Time? No, the matter was dropped – although the incident put an end to her dream of running for the US Senate in Louisiana. Shame, she would've fitted right in with all the other wankers.

Porn Moniker: Jenny Laird
Real Name: Jennifer Laird
Movies Made: 4
Crime(s) Convicted of: Supplying and possession of class A drugs.
Year She Fucked Up: 2011

What Happened: The popular babe – who's starred in such gems as *Relaxxx* and *Anna Lovato's Yes Miss* – was among 9 people arrested for flooding clubs in Tamworth with coke, speed and weed. The biggest police operation in the town's history involved 200 coppers, who were surprised to learn Jenny was in it up to her neck, as were fellow models Hannah Zebedee and Gemma's younger sister, Ashlea Massey – dealing to fund their 'champagne lifestyle'. The arrests of the 3 girls and 6 local blokes led to police seizing almost two kilos of amphetamines and 24 bars of cannabis in Staffordshire. Naughty, naughty.

Punishment: Unfortunately, when she was arrested at her home, the busty brunette was found with 6g of cocaine, not helping her case any. She was banged up until her trial, and then banged up again after she admitted conspiracy to supply cocaine and cannabis. Ashlea Massey got 3 years and Hannah Zebedee was sentenced to a 10-month sentence, suspended for 18 months, plus 150 hours' of community service.

Any Jail Time? Unsurprisingly yes – 3 years and 4 months.

Porn Moniker: Janine Lindemulder
Real Name: Janine Marie James
Movies Made: 129
Crime(s) Convicted of: Tax evasion, harassment.
Year She Fucked Up: 2003, 2008, 2011

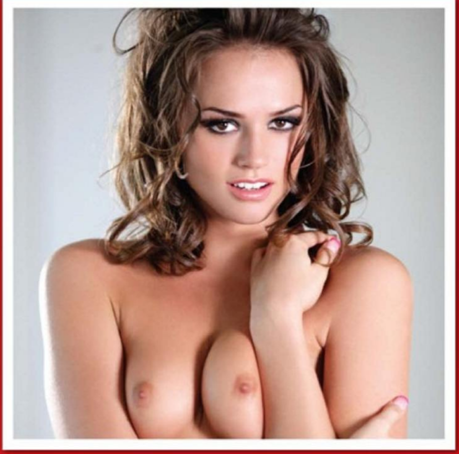
What Happened: Which time? Porn's legendary bad girl has been in trouble with the boys in blue more than once; the first

blink-182
PARENTAL ADVISORY EXPLICIT CONTENT

being in 2003, when Janine got into a fight with her then-husband and baby-daddy, Jesse James, attacking him with a metal sculpture and hitting him on the head with a flowerpot. He alleged that she had also previously tried to run him over. Then, in 2008, the heavily tattooed star pled guilty to 'wilful failure to pay federal income taxes', after the IRS proved she owed around $300,000 in back taxes. She was arrested again a few years later, in 2011, for harassing Jesse James about the custody of their kid, and once more in 2011, when police arrested her for 3 outstanding warrants. Conclusion? Don't get on Janine's bad side.

Punishment: After being arrested in 2003 for the assault on Jesse James, he filed for legal separation, as well as filing a restraining order against her. Well you would, wouldn't you?

Any Jail Time? In 2008, she was sentenced to 6 months in the Federal Correctional Complex in California for tax evasion (but served only 4) prompting her to set up the website, *FreeJanine.com*. She was then put on 6-months probation in a community corrections centre, before being supervised for a year upon her release. She also had to repay nearly all her back taxes – well, $294,000 of them… Ouch.



Porn Moniker: Tori Black
Real Name: Michelle Chapman
Movies Made: 323
Official Crime(s): Domestic battery.
Year She Fucked Up: 2012

What Happened: The police were called to the Hard Rock Hotel in Las Vegas in 2012, where bombshell Tori Black was staying with the father of her 5-month-old baby. It was reported that she had been out drinking and returned to her hotel room and partner, only to start arguing because he didn't have enough breast milk to feed the infant. Things escalated when he called the *Batman XXX* star an unfit mother, and cops were called when things allegedly turned into a physical brawl, with Tori repeatedly punching her bloke on the back of the head. Nice.

Punishment: Both Tori and her bloke were arrested at the scene and charged with domestic battery.

Any Jail Time? Nope, she got away with a slapped wrist, a dodgy-looking mugshot and a criminal record.

Porn Moniker: Jenna Jameson
Real Name: Jenna Marie Massoli
Movies Made: 163.
Crime(s) Convicted of: DUI, misdemeanour battery charge.
Year She Fucked Up: 2012, 2013.

What Happened: After wrapping her car around a lamppost in 2012, the police found 'signs of intoxication' and promptly arrested the world's most famous ex-porn star for driving under the influence of drink and drugs, and driving without a licence. She was booked, but released shortly afterwards. Then, in May of this year, the pneumatic blonde allegedly attacked her former assistant at her Californian home and was arrested again. With the possibility of prison looming as she was on probation and facing a misdemeanour battery charge, Ms. Jameson must've breathed a sigh of relief when prosecutors dropped the case.

Punishment: The legendary performer pleaded guilty to the DUI in court and was sentenced to 3 years informal probation, ordered to attend an alcohol-education program and a 'victims' impact panel' held by the American charity Mothers Against Drunk Driving. Oh, and she had to pay a whopping $340 in fines.

Any Jail Time? Nope, so none of our Jenna Jameson prison fantasies came true.
